**General Information**

**How would you like to pay for your recording?**

<p><i>A demo is a relatively quick vocal recording, usually with a backing track. The artist will generally do 2 to 3 takes of the song. The best sections will be combined to put together the final recorded track. Pitching and timing imperfections will be fixed where necessary. The above prices include the mixing and mastering of the final track.</i></p> <p><i>Please supply your own backing tracks on CD or USB flash. Groups may consist of up to 12 members per recording. Rates may vary if additional solo recordings and/or harmonies are required.</i></p> <p><i>There are no mechanical, duplication or performance rights automatically included when you record at our studio. It is the customer's responsibility to obtain these rights, relevant to the final use of the recording.
